# Emergency Hospital and Medical

## TRAVEL INSURANCE

EFFECTIVE DECEMBER 2009

protection wherever you go

## PROTECT YOURSELF WHEREVER YOU GO

Unexpected medical treatment is the single most expensive hidden cost you could get hit with when you travel – whether on business or pleasure, within Canada or around the world. But there’s no need to spend your trip worrying. Just be sure to stay covered with TIC Emergency Hospital & Medical Insurance. If you have an unexpected illness or accidental injury while away from home, we’ll be there to ensure you get the care you need.

### WHY DO I NEED TRAVEL INSURANCE?

Government health insurance plans will pay only a small fraction of expenses if you are sick or injured while outside Canada. Some hospitals charge thousands of dollars a day, not including doctors’ fees or diagnostic services. Without emergency hospital and medical insurance, you and your family would be responsible for these high costs.

### WHAT IS COVERED?

Travel insurance is intended to cover sudden, unexpected, and unforeseeable circumstances. Please read the Benefits section for a summary of the coverage available.

### WHAT IS NOT COVERED?

Travel insurance does not cover everything. This insurance has exclusions, conditions and limitations. Please read them and understand the policy before you buy this insurance.

Coverage is **NOT AVAILABLE** to any individual who:

- has been diagnosed with a terminal illness;
- has Acquired Immune Deficiency Syndrome (AIDS) or Human Immunodeficiency Virus (HIV);
- has Alzheimer’s Disease or any other type of dementia;
- has received any type of treatment for pancreatic cancer, liver cancer or any type of cancer that has metastasized;
- has been prescribed home oxygen treatment in the last 12 months;
- has had a major organ transplant (heart, kidney, liver, lung); or
- has received kidney dialysis treatment in the last 12 months.

### I TRAVEL A LOT. CAN I GET A BETTER DEAL?

Multi-trip Plans provide frequent travellers with the convenience of not having to purchase insurance every time you travel. You can take as many trips as you want during the one year coverage period.

### ARE THERE AGE LIMITS?

Coverage is not available for persons less than 15 days old. If you are 61 years and older travelling 61 days or longer, you must complete a medical questionnaire and receive written acceptance from TIC.

### I WANT TO STAY LONGER. CAN I PURCHASE FURTHER COVERAGE?

Yes you can, subject to policy terms and conditions. Just call your agent or TIC (during business hours) prior to the expiry of your first coverage. You must be in good health and not have incurred any losses with TIC. Fees will be charged.

### WHAT IF I HAVE AN EMERGENCY OR CLAIM?

Our professional emergency assistance and claims personnel are available to help you 24 hours a day, 7 days a week. TIC’s experienced multilingual staff verify coverage to hospitals, arrange emergency medical evacuation, coordinate payments, and contact your family doctor and relatives. We’re here to help you.

### IS MY PERSONAL INFORMATION PROTECTED?

We are committed to protecting the privacy, confidentiality and security of the personal information we collect, use and disclose. Your personal information, including your medical history, will be collected, used and disclosed only for the purpose of providing you with the requested insurance services. For a copy of TIC’s privacy policy, please contact us or visit our website [www.travelinsurance.ca](http://www.travelinsurance.ca).
