Improvements to our Travel Insurance Program

We are pleased to announce improvements to our product offering through Travel Insurance Coordinators (TIC).

- ✓ **Trip Cancellation** Insurance is now written.
- ✓ Remember that **annual policies** are now available for **frequent travelers**.
- ✓ Redesigned **Medical Questionnaire** now easier to complete.

Check out the link to the TIC website via www.angusmillerltd.com.

Thanks to your support, our Travel Insurance portfolio continues to grow. To the end of August, our volume is up 22%.

We encourage you to think about our Travel products as another way to provide service to your existing Personal Lines clients. The opportunity to build long term customer loyalty increases by having more contacts and chances to serve their insurance needs.

Keep in mind that we guarantee **fast policy turnaround**.

Please contact **April Beals** or **Pat Connors** for more information about our Travel products through TIC.

Thank you for your support!
