Vacation Trailer Program

We want to remind you about our stand alone *Vacation Trailer Program* underwritten by Lloyd's of London. Last spring, manual kits outlining the program in detail were sent to your offices. If you require additional kits or further information we would be happy to assist.

We are pleased to announce that a new **Claims Free Discount of 5%** is now available. The insured must have 3 years of continuous vacation trailer insurance with no claims.

This program is easy to use! A simple, 1 page application can be found on our website (www.angusmillerltd.com). Send by mail, fax, or if you wish call us and we'll issue the policy over the phone. We can even e-mail you the policy if desired. We guarantee speedy turnaround.
